Dear Parents and Students,

Annual School Report
The 2012 Annual School Report has been approved and is now available on-line via our school’s website. Go to the second tab from the left called “Our School” and look on the left hand side.

The report has information such as significant programs and achievements, class sizes and enrolments, attendance profile, Staff information, financial summary, school performance, NAPLAN results, progress on targets, school evaluations and school planning.

ANZAC Day
This year ANZAC Day falls on the Thursday of Week 2, of the holidays. Ulladulla Public School will be conducting a service in the school hall on Friday 12th April at 12.00pm. Parents are invited to attend. Students from our school will also be marching at the ANZAC Service held in Milton on ANZAC Day.

It is an expectation that our school leaders and any interested students attend this important community event. Children wishing to march should wear school uniform and meet Mr Woodcock in the church car park opposite IGA at 10.00am.

School Leadership
On Monday Mr Lloyd attended the leadership day in Sydney with our school Captains and Prefects. Once again it was an outstanding day. The students were able to hear inspirational speakers address the large audience on matters of leadership and personal development. It was a long but very enjoyable day. I would like to thank all the parents who assisted with transport.

Bike Day
Congratulations to all the students who supported Mr Buckley’s initiative of “Ride to School Day” last week. Well done students and Mr Buckley.

Sport
Our girls cricket team had a great game against Milton last week. Miss Ashley said that all the girls played very well and displayed outstanding sportsmanship. We lost the game but all the girls can be proud of their efforts. Thanks also to Miss Ashley for giving up her time to the team.

Why is regular attendance at school important?
Regular school attendance will help your child to succeed in later life. Attending school every day makes learning easier for your child and helps build and maintain friendships with other children. If your child misses learning the basic skills in the early years of school, they may develop learning problems in later years.

Arrival on Time
Arriving at school and class on time ensures that students don’t miss out on the important learning activities scheduled early in the day when the students are most alert, helps students learn the importance of punctuality and routine, gives students time to greet their friends before class and therefore, reduces the opportunity for classroom disruption. Lateness is recorded as partial absence and must be explained by parents or carers in the same way as other forms of absence.

Must my child attend all activities, including sport?
YES. Sport and other physical activities help the healthy physical and mental development of children. Sports and sports carnivals are normal school activities and students must attend.

Term 2 Staff Development Days:
To assist in preparation for the implementation of the National Curriculum in 2014, every public school across NSW will have 2 staff development days at the commencement of term 2: Monday 29th April and Tuesday 30th April. Students return to school on Wednesday 1st May.

Crazy Hair Day
Thankyou to our SRC and Mr Roberts for organising the Crazy Hair Day yesterday. Over $500 was raised which will be donated to the NSW Cancer Council.

Parent Teacher Interviews
Interviews commenced this week and I would encourage you to make an appointment with your child’s class teacher to discuss their academic progress.
