Dear Parents and Students,

**Milton Show**
Last Friday most of our K-2 students attended the Milton Show. Thank you to all the families who supported this local community tradition. From all reports, our students had a great time and Kindergarten enjoyed their first excursion outside the school. Congratulations to 2W and KM who gained 1st place for their show posters.

**Parent Teacher Interviews**
The Years 1-6 parent/teacher interviews for 2014 are coming up soon and you should receive a request for interview note via your child. It is beneficial to your child if you have a great relationship with their teacher. The parents and teacher have a common goal to ensure your child works to their potential and is engaged in their learning to achieve success.

So what should you ask at the interview?
Get a feel for how your child is doing at school.
Try to get the whole picture of their typical day.
Ask about their classwork progress.
Find out if they are engaging in class and involved in lessons.
Does your child seem confident with their learning and with their peers?
Find out ways to be helpful with your child’s education at school and/or at home.

**SRC - Support ‘Relay for Life’**
Ulladulla Public’s Student Representative Council is holding a fund raiser later on in March. The purpose of this fundraiser is to support the “Relay for Life” Campaign.

This will be the SRC’s first event for the year and we are hoping that you will support their efforts.

**Winter Uniform**
As summer has finished and we start moving into the cooler months, can I direct parents to page 2 of this newsletter where there is an explanation of the winter uniform requirements.

The uniform has been endorsed by your P&C.

**Student Assistance**
If you require financial support this year with excursions or school contributions, please see the front office for a form. These completed application forms are to be returned no later than Friday 21st March.

**Parking**
A reminder about parking regulations around the school. Please park in designated car spots. Please avoid using the staff car park unless you have a disabled sticker or have sought permission.

**Market Day**
This year Market Day will be on the second last day of the term - Thursday 10th of April. Teachers and the P&C have started to organise this major fundraiser event already and expectations are high of having a fantastic day. We can only hope the weather will be kind to us. I would encourage you to support this great school community event.

**Early to school**
There are several children arriving at school quite early. May I remind parents that there is no direct supervision until 8.55am.

**Visitor badges** are important to wear whilst on the school grounds for any reason. Make sure you call to the office if entering the school at any time during school hours. Before the start of the day and at the end of the day, there is no need to collect a badge.

**Web Sites**
The internet is a great resource for learning. Can I recommend three more great sites for you to have a look at in order to help your child with their learning:
http://www.spellingcity.com/

**P&C AGM**
The P&C AGM will be held in the interview room at 1.30pm on Monday 10th March. All positions will be declared vacant. The normal P&C meeting will commence directly afterwards at 2pm

**Reminders:**
- Parents of Kindergarten children are reminded to keep their children supervised and quiet until 3.30pm as there are lessons taking place in other classrooms.
- Don’t forget to use your tear off slips to explain your child’s absences. Call to the office if you need more slips.
- School Voluntary Contributions can be now be paid.  (Invoices were sent out last week.)

Have a great week!!!

On the day before each photo session there will be a mufti day to ensure students will look their best for the photos.
