Dear Parents and Students,

**Student Success**
Congratulations to Luke Russell and Riley Wooden who have been selected for the South Coast region PSSA AFL team to play in Sydney in May. Thanks to Mr McCarthy who took 7 of our students to the trials last Wednesday.

**Annual School Report**
The 2013 Annual School Report will be available on-line via our school’s website by the end of the term. Go to the second tab from the left called "Our School" and look on the left hand side.

The report has information such as significant programs and achievements, class sizes and enrolments, attendance profile, staff information, financial summary, school performance, NAPLAN results, progress on targets, school evaluations and school planning.

**ANZAC Day**
This year ANZAC Day falls on the Friday of Week 2 of the holidays. Ulladulla Public School will be conducting a service in the school hall on Friday 11th April at 12.00pm. Parents are invited to attend. Students from our school will also be marching at the ANZAC Service held in Milton on ANZAC Day.

It is an expectation that our school leaders attend this important community event. Any other interested students are more than welcome to join in too. Last year we had a record number of students attend which was fantastic.

Children wishing to march should wear full school uniform and meet Mr Woodcock in the church car park opposite IGA at 10.00am.

**School Leadership**
On Monday Mr Lloyd will be attending the leadership day in Sydney with our school Captains and Prefects. The students will be able to hear inspirational speakers address the audience on matters of leadership and personal development. It will be a long but I’m sure rewarding and enjoyable day. I would like to thank all the parents for their co-operation.

**Bike Day**
Congratulations to all the students who supported Mr Buckley’s initiative of “Ride to School Day” last week. Well done students and Mr Buckley.

**Arrival on Time**
Arriving at school and class on time ensures that students don’t miss out on the important learning activities scheduled early in the day when the students are most alert, helps students learn the importance of punctuality and routine, gives students time to greet their friends before class and therefore, reduces the opportunity for classroom disruption. Lateness is recorded as partial absence and must be explained by parents or carers in the same way as other forms of absence.

**Must my child attend all activities, including sport?**
YES. Sport and other physical activities help the healthy physical and mental development of children. Sports and sports carnivals are normal school activities and students must attend.

**Term 2 Staff Development Day:** To assist in preparation for the implementation of the National Mathematics Curriculum in 2015, every public school across NSW will have 1 staff development day at the commencement of term 2: Monday 28th April. Students return to school on Tuesday 29th April.

**Parent Teacher Interviews**
Interviews commenced this week and I would encourage you to make an appointment with your child’s class teacher to discuss their academic progress.

**Mr Ron Doughton**
It is with sadness that I inform our school community of the passing of Mr Ron Doughton the other day. Ron had taught at UPS for many years and retired about 12 years ago. Many parents reading this would have had Ron as their teacher.

A celebration service will be held this Friday at 2.30pm at St Martin’s Anglican Church. Some of our staff will be attending the service and therefore some classes will be disrupted. The classes will be supervised by buddy teachers. Thank you for your understanding.
