Dear Parents and Students,

**Parent / Teacher Interviews**
Congratulations if you have taken up the opportunity to have an interview with your child’s teacher. I trust that it was meaningful and insightful.

**Struggling Students**
Many students struggle with school at some point in their academic careers. Some struggling students may be experiencing a lack of motivation, social problems at school, time management challenges, poor self-esteem, or lack of organisation and study skills. Other struggling students may need to build the cognitive skills of memory, attention, processing speed, sequencing in order to be able to keep up with the pace of instruction in school and to comprehend that instruction. Many struggling students find that the use of brain fitness exercises to strengthen cognitive skills helps transform them into successful learners in the classroom. Reading and learning can then become enjoyable activities that the student can feel good about.

**Mathematics**
Parents can help a lot at home with Mathematics. There a many Maths sites on line. I have given 4 good ones below.

You should also look at Studyladder. This is a great website to use. The teachers use it a school as well.

http://www.studyladder.com.au

Try these other sites to practice timetables:

http://www.mathsisfun.com/timestable.html

**Picking up Children**
We have a few spots around the school where we ask parents to wait to pick up their children at 3.30. These are:
1. The rainbow Kindy lunch seats;
2. The large concrete canteen steps;
3. Some parents also wait down near the back demountable as they access the back gate.

The teachers would appreciate it if all parents could follow this request and not wait outside their child’s classroom. If a number of parents do wait outside the classroom it can be very distracting for children.

I am happy to discuss this with anyone who can’t follow this request.

**Important Days**
Please don’t forget 3 very important days coming up for our school community
1. Easter Hat Parade
2. Market Day
3. Anzac Assembly

**School Plan and Annual School Report**
The 2014 school plan can be found on our website under the download section.

The 2013 Annual School Report can also be found on the schools web site.

P&C Meeting
The next Monthly meeting of the P&C will be held on Monday 7th April, 2pm. New parents/citizens come along to the meeting room above the library (under 5’s welcome.)

Term 2 2014

STAGE 3 CROSS COUNTRY
Stage 3 will be holding its Cross Country Carnival at school on Friday the 4th April in the morning 9.45-11.25am. All students will run on the day in either competitive or non-competitive races. In the event of bad weather we will postpone the event until Week 1 or 2 next term. Please Note: Stage 2 will be running their Cross Country Carnival in Term 2 NOT Term 1.

Ulladulla Public School has a Volunteer Reading Program to assist children in their reading. We are looking for interested parents and community members to volunteer to train as reading tutors. Each tutor would be assigned particular students that they would assist each week. Full training and ongoing support will be given by the Support Teacher, Bev Johnson. A meeting will be held on Thursday 3rd April at 2.30 pm in Bev Johnson’s room to discuss the program. Tutoring will commence in Term 2, starting Tuesday 29th April.
