Principal’s Messages

Dear Parents and Students,

The Importance of the Teacher

The critical work teachers do plays a pivotal role in society. It takes a special person to become a teacher. The importance of what teachers do every day and the difference they make in kids’ lives often goes unnoticed. There is an inherent goodness in what teachers do, but over time it has been taken for granted and perhaps forgotten. I would like to remind the Ulladulla community that the teachers at UPS do encourage, inspire and do make a difference in students’ lives. The job they do is remarkable and never should be under-valued.

Life Education Van

Life Education builds the capability of children by challenging their values and attitudes, expanding their knowledge and developing their skills. The lessons motivate, encourage and empower children to exercise real choice – and make informed healthy lifestyle decisions. Life Education is a non-government charity which relies on donations for support. Life Education lessons commence Tuesday 3rd March and finish on Monday 23rd March. All classes have been timetabled for their visit. As you are aware the cost is $6.00 which includes the workbook. All the money goes to LEC which covers their expenses. Please note that the final date of payment is Monday 2nd March.

Student Assistance

The school has a relatively small amount of money which can be used to support families who may be struggling financially. If you require financial support this year with excursions, uniforms, technology or school contributions please see the front office for an application form. These forms should be returned by Friday 20th March. All applications are confidential.

Legal Matters

If you have an AVO or an existing court order please make sure that the school has an up to date copy so we can do our best to look after the interests of the children. If you change your address, home or mobile number, or emergency contacts PLEASE contact the school so that we can update our records.

Student Representative Council

Congratulations to all our newly elected SRC members. Students will receive their badges at the next Primary assembly. I’m sure that Miss Ashley will lead you well in 2015.

Year 6 T-Shirts

The 2015 Year 6 T-shirts have been ordered and designs have been sent. Shirts should be at the school before the end of term. Thank you to all who supported this. Thanks to Mrs Sunderland for organising this project.

Chicks Visit 1R

Today 8 chicks came into 1R. One was white which was 4 weeks old. They are very fragile. The are Aracuna chicks. They feel soft like wool. Their poo is very stinky!

Indiana

Today 8 chicks came into 1R. One was white which was 4 weeks old and the others were 1 week old. The chickens are really small and cute. Year 5 boys took the chicks from Mr Clark's class to our class. Little chicks take twenty-one days to hatch.
