Principal’s Messages

Dear Parents and Students,

Interviews
Can I please encourage you to take the opportunity to book a parent/teacher interview. You should have received information about these by now. This is a valuable time for all parents to discuss student progress with teachers and address any concerns in relation to each student’s educational achievement.

STAFF CAR PARK
There have been an increasing number of parents accessing the staff car park to drop/pick up students each day. Could you please use the appropriate drop off areas outside the school ground as this car park is for staff and disabled access only. Many students walk home across the entrance to the car park and there have been safety concerns raised with an increasing number of cars entering and leaving the area. I appreciate your support in this matter.

Ride to School Day
This Friday is Ride to School Day for Stage 3 students. Can I encourage you to walk to school if your are unable to ride.

Sport Update
Congratulations to all the students who have represented our school as members of the District/South Coast Swimming Squads in the past few weeks. Selection for these squads is very competitive and to have so many students selected from our school is a great achievement.

There have been a number of district trials in the past few week for various sports. Thank you to staff and parent volunteers who give up their own time to organise training of teams and coordination of knockout games.

The Silly Scientist
This visiting performance will take place in a couple of weeks. The final date for payment will be Friday 20th March.

Eric Lloyd  Deputy Principal
Dates to Remember
