Dear Parents and Students,

Water Fountains

Your P&C have organised the installation of 5 water fountains around the school. There are 2 located on the oval on Mr Buckley’s demountable wall; there is 1 on the bubble rack outside the Infants toilets, and 1 outside the junior Primary toilet block, and the 5th one is located opposite Miss Wilson’s classroom on the Infants bubbler rack. We have also distributed free water bottles for the children to use. It would be a good idea to put your child’s name on the water bottle in case they misplace it.

Student Success

Congratulations to Madison Lavender on selection in the Eurobodalla District Girls Basketball Team. Well done!!!

Student Assistance

If you require financial support this year with excursions, uniforms or school contributions please see the front office for an application form which are due in on Friday 18th March.

School Uniform

The wearing of a school uniform encourages pride in the school, contributes to a sense of belonging, assists in the promotion of good discipline and effective learning and reduces to a minimum, the undesirable distinctions between children in the same school that may result from wearing different clothing. It also provides greater security for children travelling to and from school.

When the students are in full school uniform they look great. I would continue to ask parents and students to be mindful of the uniform and wear it every day. There are a few items being worn that do not fit into the correct uniform. Girls headbands should be blue and jewellery worn should not be such that it will cause an injury. May I remind parents that we have a uniform shop where items can be picked up for $2.00 each.

A couple of important tips:

- Uniforms look best when they are cleaned regularly.
- All uniform items should have the student’s NAME clearly marked on it.

School Contributions

School contributions are voluntary and payment is a matter of choice for parents. Funds raised through this contribution are being used to supplement educational resources and programs in the school. Our school would welcome your contributions, as this will significantly enhance the resources made available to students.

Your contribution is $44 per child $80 per family and $20 for technology

In 2015 only 30% of families made this contribution

**Advance Notice**

**INFANTS ASSEMBLY FRIDAY WEEK 26th February, 2016**

Next Friday, 26th February, 2016, there will be an Infants Assembly at 12.00 o’clock in the school hall. Classes 2M and 2W will each be performing an item. Parents and community members are invited to attend.

**Kinder News**

While the new Kindergarten children are settling into school routines, we ask that you please do not send any money to school to spend at the canteen. Kinder children become confused and upset with this new experience. Children are able to order their lunch by placing an order in the lunch basket in the classroom. Kindergarten will be able to go to the canteen from Monday 29th February.

Thank you for your support and understanding in this matter.

Kim Harrison

**2016 Student Representatives**

Our newly elected SRC Representatives will take an oath and be presented with their badges at this Friday’s Assembly, Friday 19th February at 12pm.

Congratulations to the following students:

These students will be guided by Mrs Riddick and Mrs Toghill over the course of the coming year. We wish them all the best in this leadership role.
Peanut Allergies — we have a number of our students who are highly allergic to peanut products. These come in different food sources. Peanut butter and food bars are the main ones that are brought to school. Some children only have to come into contact with peanuts and they are susceptible to an anaphylactic reaction.

Make sure you read the ingredients of the food bars and please consider an alternative to bringing peanut butter products to school. Thank you for your cooperation.

LIBRARY NEWS

Library Lessons started last week for all classes and children have been busily borrowing. Please highlight when your child’s library lesson is on the table below and help them get into a regular routine of borrowing and reading at home.

All K-2 classes need a bag to borrow whenever the library is open.

Monday to Thursday lunchtimes, every morning and even after school are extra borrowing times to grab another book to enjoy.
